

THE NEC GRAPHICS SERVICES

OUR SERVICE

With our outstanding first-hand knowledge we make effective use of the venue's signage opportunities to maximise your show's impact and facilitate your visitors' experience.

We can provide illuminated signage for your kiosk booths, use internal and external A-frames to manage your flow of visitors effectively, and provide a variety of in-hall banners (digital or vinyl, landscape or portrait). Not only do we supply at a competitive price, we work directly alongside your event to ensure perfect delivery, every time.

For further details or to order any of the products below, please contact your Event Manager.
