QUIZ Night

HOST YOUR OWN VIRTUAL EVENT: **FAMILY FUN**

With questions in each round mixed in difficulty, this quiz is perfect for hosting your very own family quiz night, competing virtually against other families for an evening of fun at home. All rounds have been pre-prepared to help you get the party started and we've highlighted the children only questions to keep all family members engaged throughout.

The children questions are best suited to primary aged children, but we think everyone will enjoy playing along!

VIRTUAL QUIZ TIPS

1. Use a video platform such as Zoom or Skype and invite all participants to the meeting at a set day & time. Ensure they can all access the platform or download if required beforehand to reduce any technical delays.
2. Suggest all team members have a pen and paper at the ready, drinks and snacks are optional - but recommended!
3. Split the questions into even numbered rounds (for easier marking) and have each team take a photo of their answers after each round and send it to the host - WhatsApp works well.
