HOST YOUR OWN VIRTUAL EVENT:

RANDOM ROUNDS

With virtual quizzes becoming so popular at the moment, we wanted to help you host your own events but with a difference. To mix things up a little, instead of just trivia style general knowledge questions, this pre-prepared quiz includes a selection of random rounds to really add some fun to your hosting duties and get the virtual party started!

VIRTUAL QUIZ TIPS

1. Use a video platform such as Zoom or Skype and invite all participants to the meeting at a set day & time. Ensure they can all access the platform or download if required beforehand to reduce any technical delays.
2. Suggest all team members have a pen and paper at the ready, drinks and snacks are optional - but recommended!
3. Split the questions into even numbered rounds (for easier marking) and have each team take a photo of their answers after each round and send it to the host - WhatsApp works well.

For this fun round, you'll be challenging your contending quizzers to find items around their houses. To make it a little harder, the item will need to be worked out from each riddle.

Each team should nominate one person to be the runner for each question before you read the riddle and start the guessing. The person that finds the correct item and brings it back to show on the screen wins.

Take it in turns so everyone gets to join in the mayhem!

Although this thing has a spine
It doesn't have a face
Although it is not clothing
